

## OUR PRODUCTION TEAM

### ABOUT US

**iSP**, which stands for i Stream Productions, is a live streaming event company that provides live streaming solutions for artists, entertainers and organizations. Whatever **IT** is. We get it live!

**T.S. Productions** is a multi-service production company that provides extensive expertise in Hi-Def Multi-Cam Broadcast, Streaming, and Film & Theatre Productions. The company has provided over 15 years of technical services, systems integrations, installs, and technical improvements to production companies, schools and churches. T.S. Productions' overall goal is to bring a grade A personality and technical knowledge to every show and production.

**CHOMCO Media** brings production excellence to any event. CHOMCO is known as the place to come when you need production support for a successful event. The company handles Equipment Rentals, Technical Services, Video Editing & Shooting, Digital Content Creation, Lighting & Sound, and Event Logistics. Events that the company has supported include the Stellar Awards, the Country Music Marathon, the African Street Festival, the "Bar Rescue" television show, "Hotspot Nashville," Festival of Books, The International Black Film Festival, TSU's Homecoming and John A. Merritt Classic; and a multitude of events for Vanderbilt University and Fisk.
